

The National Senior Certificate (NSC) is a new certificate to be issued at the final exit point for school learners, namely at the end of Grade 12. It will be issued for the first time in 2008 when it replaces the existing Senior Certificate.

Learners who have successfully completed the new modernised and internationally comparable National Curriculum Statement Grades 10-12 (General) will be issued with a NSC that is registered at Level 4 on the National Qualifications Framework (NQF).
