(INTERNAL QUESTION PAPER 17-2009)**

Dr J C Kloppers-Lourens (DA) to ask the Minister of Basic Education:

Whether she has taken any steps to release the results of the remarked scripts of November 2008 of the National Senior Certificates examinations; if not, why not; if so, what steps? NW1709E

REPLY:

The results of the re-marked scripts relating to the 2008 National Senior Certificate (NSC) examination were released on 27 February 2009. Subsequent to the release of the re-mark results, candidates were offered the opportunity of writing the supplementary examinations in February/March 09. The results of the supplementary examination were released on 28 April 09. The Department of Education monitors on a continuous basis the provincial education departments and I am not aware of any re-mark results that have not been released.
