

Attention: All Grade 12 learners

YOU have **150** days until the beginning of the November Examinations.

The Department of Education together with **SABC Education** will launch a Matric Revision programme for Grade 12 learners on **SABC 1**, Monday to Friday from 14h00 to 15h00 starting **1st June 2009**.

The programme will focus on Mathematics, Physical Science, English (First Additional Language), Accounting, Life Sciences, Geography, History and Agricultural Sciences.

The Department of Education would like to urge all Grade 12 learners to ensure that they watch these programmes which will assist them to prepare for the November examinations.

Other support material available for Grade 12 learners include:

- **Study Mate** (Issue 1) survival tips to prepare you for the examinations. If you have not received your copy please ask your teacher. Principals if your school did not receive copies of this valuable resource please contact your district office.
- **Maths 911** – These resources produced by Liberty Life for Grade 11 and 12 are available from Independent Newspapers.
- **Study Mate (examination revision papers) with DVD** are available from Independent Newspapers.
- **The Matric Q & A** - Look out for your bumper package of exemplar examination papers on the 4th of October 2009 in the Sunday Times
- Use your **Sowetan Power Your Future** and **Matric Matters** as an additional resource.
- **Websites** - All resources are available on www.education.gov.za and www.thutong.org.

The Department of Education would like to take this opportunity to wish all Grade 12 learners “Good Luck” as they prepare for the November examinations.
