

Mrs Angie Motshekga,
Minister of Basic
Education

Mr Enver Surty,
Deputy Minister
of Basic Education

These workbooks have been developed for the children of South Africa under the leadership of the Minister of Basic Education, Mrs Angie Motshekga, and the Deputy Minister of Basic Education, Mr Enver Surty.

The Rainbow Workbooks form part of the Department of Basic Education's range of interventions aimed at improving the performance of South African learners in the first six grades. As one of the priorities of the Government's Plan of Action, this project has been made possible by the generous funding of the National Treasury. This has enabled the Department to make these workbooks, in all the official languages, available at no cost.

We hope that teachers will find these workbooks useful in their everyday teaching and in ensuring that their learners cover the curriculum. We have taken care to guide the teacher through each of the activities by the inclusion of icons that indicate what it is that the learner should do.

We sincerely hope that children will enjoy working through the book as they grow and learn, and that you, the teacher, will share their pleasure.

We wish you and your learners every success in using these workbooks.

A grid of numbers from 1 to 20, arranged in four rows of five. Below the grid are mathematical symbols: a plus sign (+), a minus sign (-), a multiplication sign (x), and a division sign (÷). At the bottom, there are two equals signs (=) flanking a central circle containing the text '1-20'. A cartoon pencil character is positioned in the center, surrounded by other colorful pencils.

Addition up to 20 – counting on

Revision:

Practice writing the number name.

6

six

Look at the picture and write a number sentence for each.

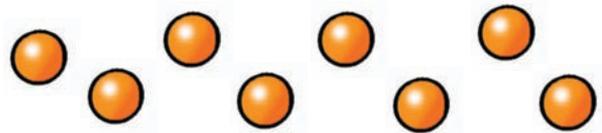

Lisa has 3 sweets. Mandla has 5 sweets. How many sweets do they have altogether?

Let us count:

3	...	4	5	6	7	8
<input type="text"/>	+	<input type="text"/>	=	<input type="text"/>		

I had 8 marbles and lost 4 of them. How many marbles do I have left?

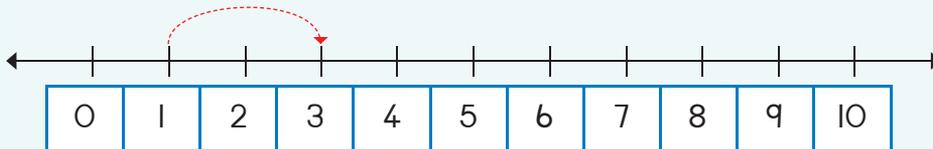

Let us count backwards:

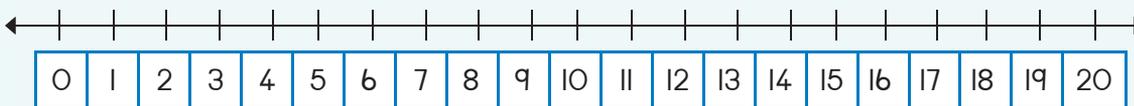

8	...	7	6	5	4
<input type="text"/>	-	<input type="text"/>	=	<input type="text"/>	

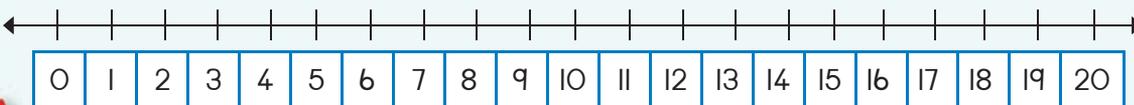

Fill in the answers.

$1 + 2 = \square$

$13 + 2 = \square$

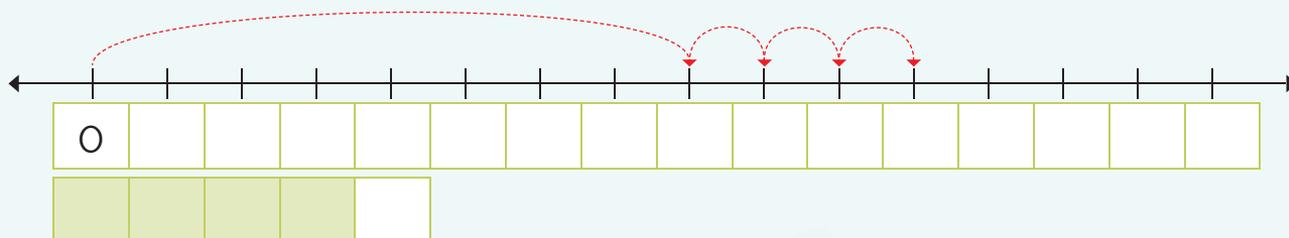

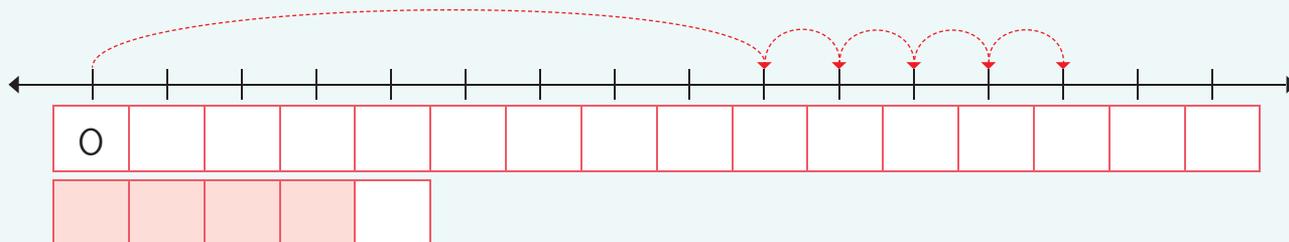

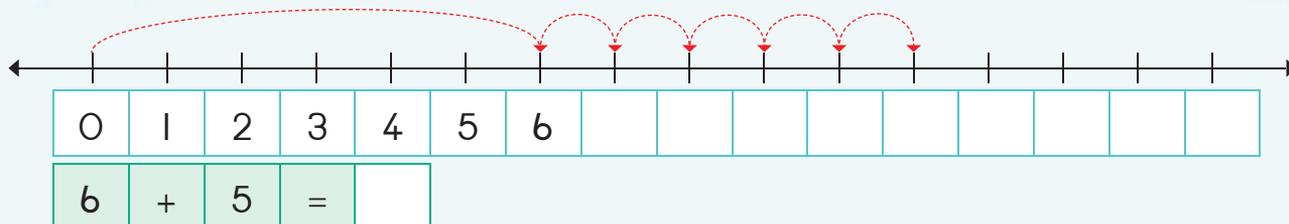

$15 + 2 = \square$

Fill in the numbers on the number line and then write a number sentence for each.

Count on 2.

3	5
4	
2	

7	
8	
6	

Fill in the numbers.

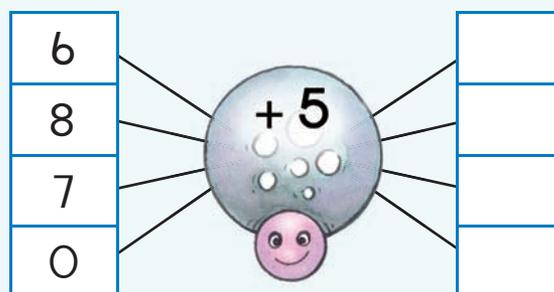

I am 7 years old.
How old will I be in 5 years time?

[7] [] [] [] [] []

I will be _____ years old.

Help the spider to finish the sum.

Teacher: _____

Date: _____

Addition – building up and breaking down numbers up to 10

Revision:

Practice writing the number name.

7

seven

Fill in the answer.

Colour to show the following.

$3 + 3 = \square$ 

$0 + 5 = \square$ 

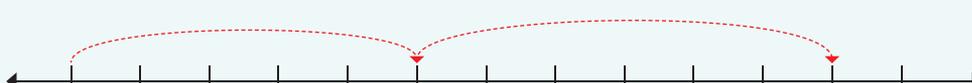

$3 + 2 + 1 = \square$ 

$3 + 9$	
$4 + 8$	
$5 + 7$	
$6 + 6$	
$7 + 5$	

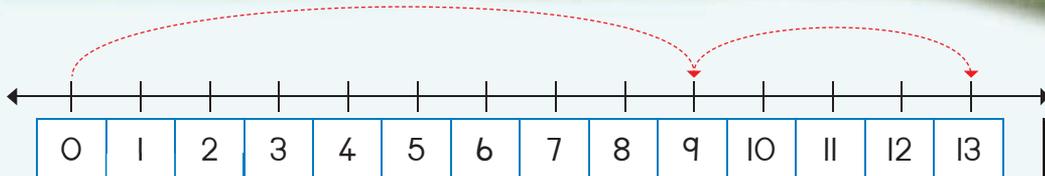

Write a sum for:

 $\square + \square = \square$

 $\square + \square = \square$

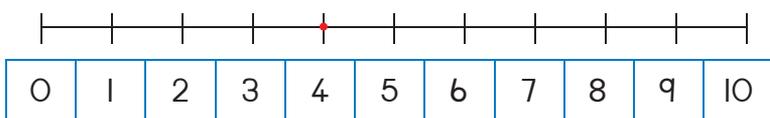

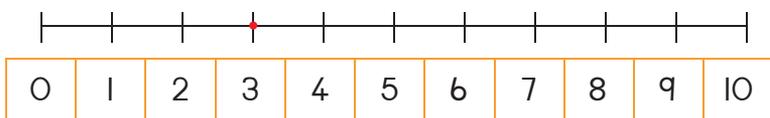

$$\square + \square = \square$$

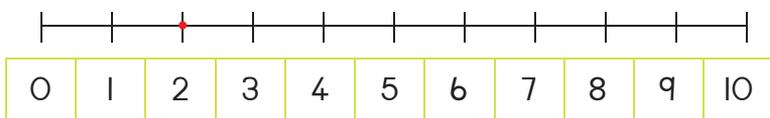

Complete the number line and fill in the answer.

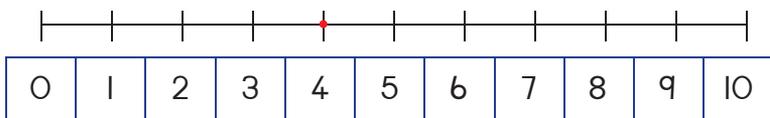

$$4 + 5 + 1 = \square$$

$$3 + 3 + 2 = \square$$

$$2 + 4 + 3 = \square$$

$$4 + 3 + 2 = \square$$

Solve the following by drawing the pictures.

I have 5 marbles and my friend has 8. How many marbles do we have altogether?

$$\square + \square = \square$$

I got 9 flowers for our teacher and my friend got 6 flowers. How many flowers did we get altogether?

$$\square + \square = \square$$

Addition and subtraction – building up and breaking down

Revision:

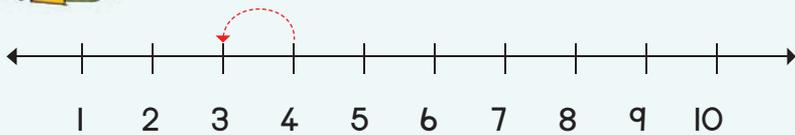

Practice writing the number name.

9

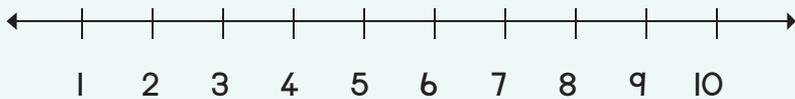

nine

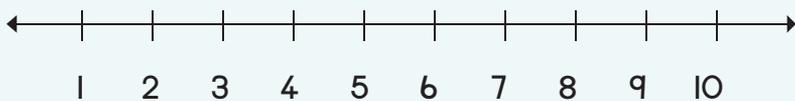

Fill in the answer.

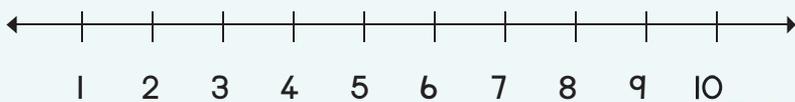

$4 - 1 = \square$

$5 - 3 = \square$

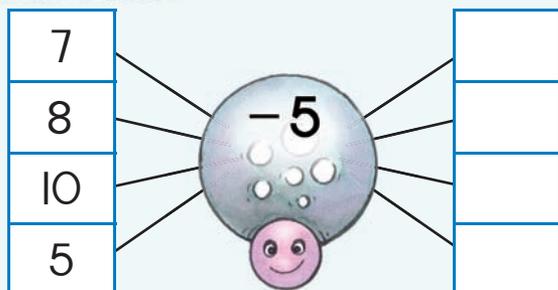

$4 - 2 = \square$

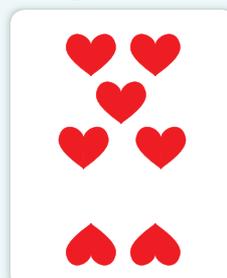

$5 - 2 = \square$

Help the spider to finish the sums.

How many hearts?

Make your own sum.

$\square + \square = \square$

Calculate the following.

$$7 + 4 = \square$$

$$7 + 4 + 1 = \square$$

$$10 + 1 = \square$$

$$6 + 6 = \square$$

$$6 + \square + \square = \square$$

$$10 + \square = \square$$

$$13 - 6 = \square$$

$$13 - 3 + 3 = \square$$

$$10 - 3 = \square$$

$$12 - 8 = \square$$

$$\square - \square + \square = \square$$

$$10 - 3 = \square$$

Write the answers and also colour in and draw.

$$8 + 6 = \square$$

We can also show it as:

$$(8 + 2) + 4 = \square \rightarrow 10 + 4 = \square$$

$$15 - 7 = \square$$

We can also show it as:

$$(15 - 5) - 2 = \square \rightarrow 10 - 2 = \square$$

$$9 + 4 = \square$$

We can also show it as:

$$(9 + 1) + 3 = \square \rightarrow \square + \square = \square$$

$$14 - 5 = \square$$

We can also show it as:

$$(\square - \square) - 1 = \square \rightarrow 10 - 1 = \square$$

Revision:

Practice writing the number name.

Doubling

Term 4

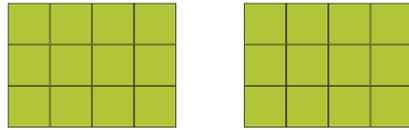

Answer the following:

How many squares are there?

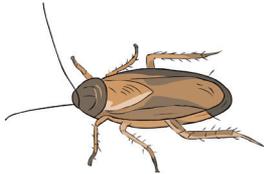

How many are there now?

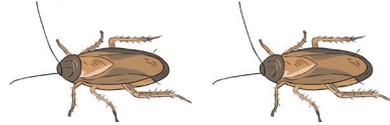

We say double 12 is 24.

How many legs are there?

How many legs are there now?

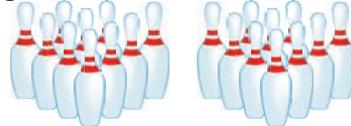

We say double 6 is

How many skittles are there?

How many skittles are there now?

We say double 10 is

How many days are there in a week?

S	M	T	W	T	F	S

How many days are there in two weeks?

S	M	T	W	T	F	S

We say double 7 is

How many crayons are there?

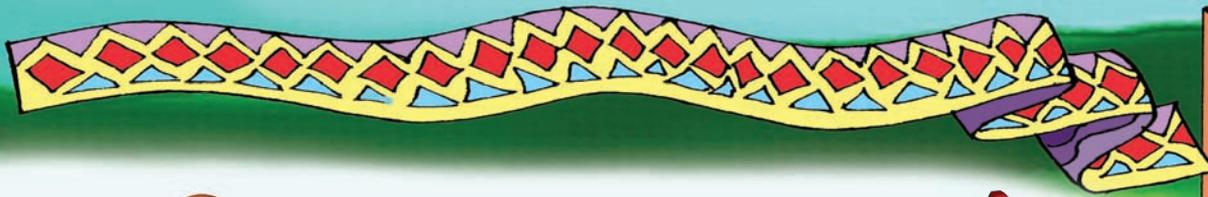

How many crayons are there now?

We say double 8 is

Fill in the answer.

Double of 4	=	8
Double of 10	=	
Double of 11	=	
Double of 2	=	
Double of 6	=	

Fill in the answer.

Double two is	four
Double three is	
Double four is	
Double five is	
Double six is	
Double seven is	

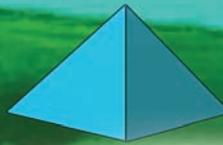

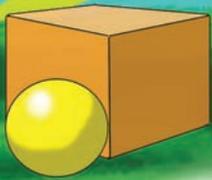

Complete the table.

$9 + 9 + 1 =$ <input type="text"/>	or	Double 9 + 1 = <input type="text"/>

Halving

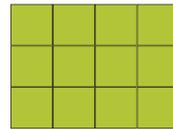

Answer the following:

How many squares are there?

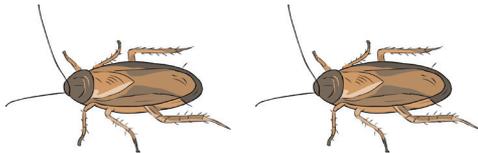

How many are there now?

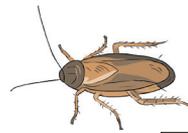

We say half of 24 is 12.

How many legs are there?

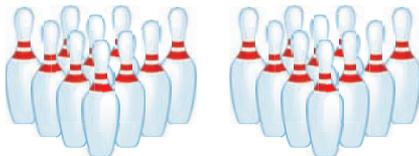

How many legs are there now?

We say half of 12 is

How many skittles are there?

How many skittles are there now?

We say half of 20 is

How many days are there in 2 weeks?

S	M	T	W	T	F	S	S	M	T	W	T	F	S

How many days are there in one week?

S	M	T	W	T	F	S

We say half of 14 is

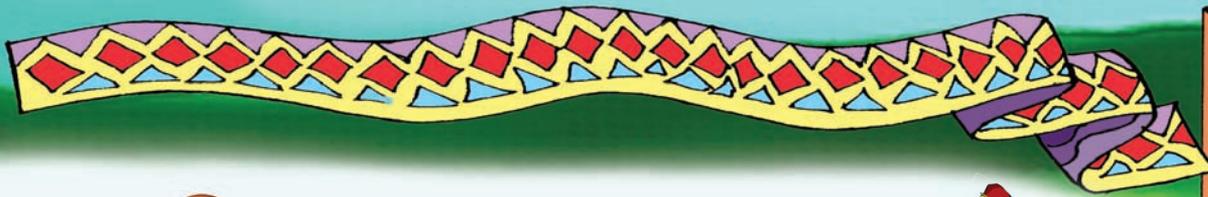

How many crayons are there?

How many crayons are there now?

We say half of 16 is

Fill in the answer.

Half of 8	=	4
Half of 10	=	
Half of 6	=	
Half of 12	=	
Half of 14	=	

Fill in the answer.

Half of four is	two
Half of six is	
Half of two is	
Half of eight is	
Half of ten is	

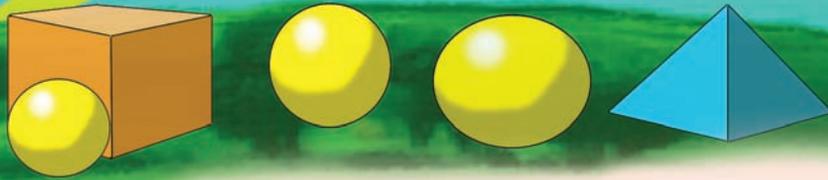

Fill in the answer.

Half of 10 is	5
Half of 12 is	
Half of 14 is	
Half of 16 is	
Half of 18 is
