

Mrs Angie Motshekga,
Minister of Basic
Education

Mr Enver Surty,
Deputy Minister
of Basic Education

These workbooks have been developed for the children of South Africa under the leadership of the Minister of Basic Education, Mrs Angie Motshekga, and the Deputy Minister of Basic Education, Mr Enver Surty.

The Rainbow Workbooks form part of the Department of Basic Education's range of interventions aimed at improving the performance of South African learners in the first six grades. As one of the priorities of the Government's Plan of Action, this project has been made possible by the generous funding of the National Treasury. This has enabled the Department to make these workbooks, in all the official languages, available at no cost.

We hope that teachers will find these workbooks useful in their everyday teaching and in ensuring that their learners cover the curriculum. We have taken care to guide the teacher through each of the activities by the inclusion of icons that indicate what it is that the learner should do.

We sincerely hope that children will enjoy working through the book as they grow and learn, and that you, the teacher, will share their pleasure.

We wish you and your learners every success in using these workbooks.

Learning about the Constitution of the Republic of South Africa (1996)

The Constitution of South Africa (1996) is the highest law in the country. This law is higher than the President, higher than the courts and higher than the government.

It describes how the people of our country should treat each other, and what their rights and responsibilities are. The constitution of a country is there to protect all of us now, and our children in the future.

**Be aware of
our past.**

We, the people of South Africa;

Recognise the injustices of our past;

Honour those who suffered for justice and freedom in our land;

Respect those who have worked to build and develop our country; and

Believe that South Africa belongs to all who live in it, united in our diversity.

We therefore, through our freely elected representatives, adopt this Constitution as law of the Republic so as to—

Heal the division of the past and establish a society based on democratic values, social justice and fundamental human rights;

Lay the foundations for a democratic and open society in which government is based on the will of the people and every citizen is equally protected by law;

Improve the quality of life of all citizens and free the potential of each person; and

Build a united and democratic South Africa able to take its rightful place as a Sovereign state in the family of nations.

**Claim your rights as a South
African and be responsible to
protect the rights of others.**

**Know your Bill
of rights & Bill of
Responsibilities.**

May God protect our people.

Nkosi Sikelel' iAfrika. Morena boloka setjhaba sa heso.

Let your fingers help you to read

Sometimes when you read, you will meet words that you won't know. When this happens, you should let your fingers help you. Each of your fingers can help you to work out how to say the word, and what the word means.

Look at the picture. See if this will help you to work out what the word is.

Look carefully at the word and try to see if you know any parts of the word.

You can try to break up the word into different sounds. Try to sound the word out.

If you still can't work it out, you should ask a friend, an older brother or sister or your teacher for help. Ask them to tell you what the word is and what it means.

Try leaving out the word and read to the end of the sentence.

You should write the word in your dictionary so you don't forget it.

Practice the 6 Steps of Handwashing to protect yourself from germs

Wet your hands under warm running water and apply soap.

Rub your palms together

Rub your fingers and palms and spaces between them

Rub your fingers and thumbs

Rub your nails and palms

Rub your thumbs in your palms

Rub your fingers in your palms

Dry your hands thoroughly with a paper towel or clean towel.

Life can be difficult sometimes, if you need someone to talk to

TEACHERS' GUIDELINES – GRADE 2 HOME LANGUAGE

Use this book with your other resources to develop your learners' concepts of:

- Book handling: The correct way in which to hold and page through a book.
- Book concept: The front page, back page, title and table of contents.
- Directionality: Reading from front to back, from left to right and from top to bottom.

TEACHING TIPS

Listening and speaking

Consult your Curriculum and Assessment Policy Statement (English Home Language), p. 10.

Learners should be exposed weekly to stories, short rhymes, poems and songs.

Picture discussions

1. Guide the learners in:
 - identifying and discussing objects in the pictures (size, shape, colour and quantity)
 - interpreting the pictures by asking questions: who, what, where, when, why, what happened before, what happened later?
 - composing a class story (the length being determined by learners' levels of development)
2. Allow each learner to tell the class story to a friend.
3. Model the writing of the class story (CAPS Home Language, p. 12, shared writing). *Bring the use of capital letters, word spacing and punctuation to the attention of learners throughout.*
4. Allow the learners to join you in reading the class story.
5. Ask learners to underline or circle the sounds, vocabulary or language structures of the week in the class story.

Reading

Consult your Curriculum and Assessment Policy Statement (English Home Language), p. 12 – 18, regarding the five main components of teaching reading.

Writing

Consult your Curriculum and Assessment Policy Statement (English Home Language), p. 18 – 19, concerning handwriting and the writing process.

Pay attention to the following daily:

- the correct handling of crayons and pencils
- directionality: writing from left to right and from top to bottom
- the use of writing strips to demonstrate correct letter formation and direction

Keep the following in mind:

- Learners' learning preferences differ. It is important that learners should be stimulated visually, audibly and kinesthetically (experientially) for them to learn effectively.
- Learning takes place through repetition.
- Learners should experience learning, therefore activities should be practised before being completed in writing, e.g.:

Vocabulary: Give learners the opportunity to build words using letter cards.

Comprehension: Learners should complete the answers orally in their groups before completing them in writing. The group leader poses the questions while the group members find the answers and answer the questions.

Selecting words to complete sentences. Provide the groups with incomplete writing strips and word cards. Learners complete the sentences by placing the word cards correctly.

Matching words to pictures (p. 17): Enlarge the page to A3. In their groups, learners place markers on the correct answers.

Matching two parts of a sentence (p. 84): In their groups, learners match parts of sentences.

Writing own newspaper article (p. 128): Have learners write a class article followed by a group article before writing their own articles.

Dictionaries: Use dictionaries daily. Learners' capabilities determine the degree of difficulty of activities. It may be necessary to provide page references.

Note: During group activities, provide the group leader with a set of answers to enable him/her to guide group members correctly.

Then, one by one all the eggs cracked open. All except one. It was a very big egg.

Mother duck sits and sits on the big egg. At last it cracks open. Out jumps the last baby duck. It looks big and strong. It is a very ugly duckling.

Where am I?
What's my name?

What a
strange-
looking baby
this is!

Look at the
last duck.

Mother Duck takes
all her baby ducks
to the pond.

Ha ha ha! It is such
a funny duck.

All the ducks jump into the water. They all swim and play. The ugly duckling swims better than all the other ducklings.

Then they go to the farm. The other animals are nasty to the ugly duckling. The hens peck him and the dog barks at him.

One night the ugly duckling decides to run away.

Everyone is so nasty to me. I am running away.

He goes to the river. He sees many beautiful big birds swimming in the river. Their feathers are so smooth. They have long necks. Their wings are so pretty.

I wish I could play with them. They are so beautiful. I am so ugly.

Then one day the winter comes. There is snow all around. The river turns to ice. The ugly duckling is very cold and unhappy.

I am all alone.
I am so cold.

And then comes the Spring.
The sun shines again and the trees are fresh and green.
One morning the ugly duckling sees the beautiful swans again.

The duckling is very sad. He begins to cry.

I am so ugly, I am alone.
I have no friends.

While he is crying he looks down between his tears. He sees his reflection. He is a beautiful swan.

Is that me?

Just then some swans swim by. They call the ugly duckling to swim with them. The ugly duckling jumps into the water. He feels very happy.

Come and swim with us.
You are a swan, like us.

Let's read

We have no money for food. That nasty giant stole our hen.

Take the cow to the market and sell her so that we can buy food.

Once upon a time there was a boy called Jack. Jack lived with his mother. He had no father.

When his father was still alive, a bad giant stole his harp and his hen that laid golden eggs.

Jack and his mother were very poor. Jack's mother told him to take the cow to the market to sell her.

On the way, Jack met the butcher, who showed him five magic beans. Jack gave him the cow and took the beans.

Jack's mother was very cross. She threw the beans out of the window. There was no food, so she and Jack went to bed without supper.

The next morning there was a very tall beanstalk outside the house. Jack climbed up the beanstalk.

When Jack got to the top, he saw that the bad giant lived there. He also saw his father's harp and hen. Jack took the gold and climbed down the beanstalk.

The next day Jack went back up the beanstalk to fetch his father's harp. He saw his father's hen that laid the golden eggs.

Jack took the harp and hen.
But then the giant woke up!
The giant chased Jack.

You took
these from
my dad.

Give me my
hen!

Jack climbed down the bean stalk and the nasty giant ran after him.

112b Jack and the beanstalk (continued)

Jack called his mother.
She ran out with a chopper.

His mother chopped as fast as she could. Before the giant could catch Jack, the beanstalk fell down.

Jack and his mother lived happily ever after.

Finger puppets:
Cut out the finger puppets on the solid black lines and fold on the dotted lines.
Now glue on the back where shown to form a finger puppet. Now tell the story about the hippo and the tortoise.

Cut out the puppets and then carefully cut out the two circles on their legs. Put your 2nd and 3rd fingers through the holes to form legs. You can now tell the story about Jack and the giant.

Ugly Duckling

glue the tortoise shell here.

MASKS: You can use these masks for the role play in worksheet 100.
Cut out the mask on the outer black line.
Tie some string through the holes on each side and you can be either a clown or a hippo, depending on which side you use.

Use this book mark to keep your place in your book.
