7th Edition

Mrs Angie Motshekga,
Minister of Basic
Education

Mr Enver Surty,
Deputy Minister
of Basic Education

These Reception year (Grade R) Rainbow Workbooks form part of the Department of Basic Education's strategy to boost South African children's school performance. Research shows that for every year that children are exposed to stimulating activities before Grade 1, they perform better academically in later years – throughout their primary and secondary schooling. Hence this strong focus on learning in Grade R.

The Foundation Phase curriculum requires that Grade R learners are given the opportunity to develop their pre-reading, pre-writing and pre-mathematics skills and outlines the skills they will need to get a solid educational foundation so that they find it easier to learn in Grade 1 and beyond.

The Grade R workbooks therefore aim to assist children in developing these skills and the key initial concepts they need to lay a solid foundation for learning. They are packed with opportunities for children to develop and practise the skills that will prepare them for formal schooling.

Before children formally learn to read they need to find out how to hold a book and turn its pages, and to understand how books work. They need to understand the relationship between the words and pictures in a book and to realise that words on a page are made up of sounds and have meaning. Similarly, before children learn to write, they need to develop their fine motor coordination, to practise the formation of shapes and then to move on to forming letters. These are precisely the skills that these workbooks aim to develop.

We know that all children do not learn at the same pace the Grade R workbooks make it possible for teachers to work at the learner's individual pace and, where necessary, to go backwards and forwards in the book, in line with each child's unique development. The activities will also assist teachers in identifying barriers that children may have in learning so that these can be addressed before the child starts formal schooling.

The workbooks integrate the teaching of literacy, numeracy and life skills across 20 themes using fun and engaging ways to capture young learners' interest and attention. We hope that your learners will enjoy working through the workbook activities as they grow and learn, and that you, as their teacher, will share in their pleasure.

The instructions for the cut-outs are at the back of the book.

To the Educator:

Learners need to practise their work before they attempt to complete the activities in their workbooks.
For example:

- When learners are required to circle the correct answer, let them first place a marker on the correct answer. They should then check with the teacher that it is correct before they write in their books.
- When the activity requires learners to trace something, let them do it with their fingers first before they do it in writing.

Please note: Learners are all at different developmental stages. If you see that some learners still need attention to develop their fine motor skills, let them practice their work in their lined exercise books until they are confident enough to write in their workbooks.

Term 2

My Home

Paste the stickers in the correct spaces.

Term 2 – Week 1–5

Let's talk

Paste in the stickers and then talk about what these children are doing. How do you help at home? What do you do at home that is fun?

My name is:

Large empty rectangular box with a blue dotted border for writing a name.

TEACHER: Sign

Blank rectangular box for the teacher's signature.

Date

Blank rectangular box for the date.

Let's write

Tidy up this room. Use the stickers and put the toys in the box, the clothes in the cupboard and the food in the fridge.

toy box

cupboard

1.2

Paste the stickers in the correct spaces.

fridge

TEACHER: Sign _____ Date _____

Let's read

Say what each picture is. Listen to the sounds and then say why the picture in the last block in each row sounds different. Then cut out the matching pictures from the cutout page and match them to these.

Let's write

Trace the letter with your finger and then with a crayon. Start at the dot.

Trace the snakes to form the letter S.

Write your name and then paste in a sticker for good work.

Large empty rectangular box for writing a name.

Let's write

Fill in the letter **S** and listen to the sound as you say the words aloud.

Let's count

Circle the blocks that have 4 items in them.
Clap your hands 4 times when you see 4 items.

Practise the number 4.

1.8

My name is:

A large rectangular box with a blue dotted border, intended for writing a name.

Let's write

Trace and colour the other part of the picture.

TEACHER: Sign

Date

Let's sing

This Is The Way

This is the way we wash our clothes,
Wash our clothes, wash our clothes,
This is the way we wash our clothes,
So early **Monday** morning.

This is the way we iron our clothes,
Iron our clothes, iron our clothes,
This is the way we iron our clothes,
So early **Tuesday** morning.

This is the way we sweep the floor,
Sweep the floor, sweep the floor,
This is the way we sweep the floor,
So early **Wednesday** morning.

This is the way we wash the pots,
Wash the pots, wash the pots,
This is the way we wash the pots,
So early **Thursday** morning.

This is the way we clean the house,
Clean the house, clean the house,
This is the way we clean the house,
So early **Friday** morning.

This is the way we bake our cakes,
Bake our cakes, bake our cakes,
This is the way we bake our cakes,
So early **Saturday** morning.

This is the way we go to church,
Go to church, go to church,
This is the way we go to church,
So early **Sunday** morning.

Let's talk

Talk about the jobs
you do at home.

1.10

Let's do

Paste the stickers in the correct places on the box.

Paste the stickers in the correct spaces.

Trace the letters with your finger and then with a crayon.
Start at the dot.

Trace the letters.

Let's write

Fill in the letter **a** and listen to the sound as you say the words aloud.

Write your name and then paste in a sticker for good work.

TEACHER: Sign Date 

Let's do

Trace the circles and then colour the robot in the correct colours.

Let's talk

Tell your friend what these signs mean.

2.4

Let's do

Your teacher will write your parent's phone number in this space. Now press the numbers on the phone.

! Safety outside

Let's talk

Look at these pictures. Talk about why it is unsafe to play in these places.

TEACHER: Sign _____ Date _____

2.5

Let's count

The mouse wants 5 pieces of cheese. Circle the correct number and trace the number.

The rabbit wants 5 carrots. Circle the correct number and trace the number.

The girl wants 5 cupcakes. Circle the correct number and trace the number.

Practise the number 5.

Let's count

Count the items in each box. Say which box has more than the other.

Let's write

Find and circle the picture that is the same as the picture in the first box.

2.7

Let's write

Trace the **a** and the **s**.

Let's write

Do the words start with an **a** or with an **s**? Trace the correct letter.

Let's count

Count how many animals there are in each row.
Then colour the dots and trace the number.

"Oh my darling, Clementine".

Paste the
stickers
in the correct
spaces.

The weather song

What's the weather, what's the
weather, what's the weather
like today?

Tell us Joey, tell us Anna, what's
the weather like today?

Is it cloudy?

Is it rainy?

Is it rainy out today?

Is it windy?

Is it snowy?

What's the weather like today?

Is it sunny? Is it sunny?

Is it sunny out today?

Yes it's sunny, yes it's sunny,

Yes it's sunny out today.

Let us all go into the garden,

Let us all go out to play.

5.4

Let's write

What's the weather like this week?

Paste a sticker in the correct space to show what the weather is like each day this week. Then paste a smiley face to show which weather you like and paste a sad face to show which weather you don't like. How many days were hot? How many days were cold? How many days were windy? How many days were cloudy?

Paste the stickers in the correct spaces.

Monday	Tuesday	Wednesday	Thursday	Friday

Let's write

Colour the shapes the colour of the dots to see what the picture is.

TEACHER: Sign Date

TEACHER: Sign Date

Cut outs

Picture dominoes:

Cut out the cards on the black dotted lines and then match the numbers to the correct pictures.

Puzzle:

Use the backs of the picture dominoes and build the puzzle. It helps to build the outside border first.

Matching cards:

Cut out the cards on the black dotted lines and then match the cards with the blocks on page 14.

Memory game:

Shuffle the cards and pack them out face down on the table. Then, turn 2 cards at a time and see if they match. If they do, put them aside. If they don't put them back. See if you can remember where you put them. The first one to find all the matching pairs is the winner. You can also play snap with these cards.

Reading books:

Follow the instructions and make this cut out book. Take it home and read it to your friends and family.

MY CUT OUTS

Let's do

Cut the page off on the dotted line at the top and then glue the page to the back cover to make a pocket. Keep your cut outs here so that it doesn't get lost.
