2. EXTENDED WRITING

2.1 The extended writing questions focus on one of the following levels:

LEVELS OF QUESTIONS	
<u>Level 1</u>	<ul style="list-style-type: none"> • Discuss or describe according to a given line of argument set out in the extended writing question. • Plan and construct an argument based on evidence, using the evidence to reach a conclusion.
<u>Level 2</u>	<ul style="list-style-type: none"> • Synthesise information to construct an original argument using evidence to support the argument. • Sustain and defend a coherent and balanced argument with evidence. • Write clearly and coherently in constructing the argument.

2.2 Marking of extended writing

- **MARKERS MUST BE AWARE THAT THE CONTENT OF THE ANSWER WILL BE GUIDED BY THE TEXTBOOKS IN USE AT THE PARTICULAR CENTRE.**
- **CANDIDATES MAY HAVE ANY OTHER RELEVANT INTRODUCTION AND/OR CONCLUSION THAN THOSE INCLUDED IN A SPECIFIC EXTENDED WRITING MARKING GUIDELINE FOR A SPECIFIC ESSAY.**
- **WHEN ASSESSING OPEN-ENDED SOURCE-BASED QUESTIONS, LEARNERS SHOULD BE CREDITED FOR ANY OTHER RELEVANT ANSWERS.**

Global assessment of extended writing

The extended writing will be assessed holistically (globally). This approach requires the educator to score the overall product as a whole, without scoring the component parts separately. This approach encourages the learner to offer an individual opinion by using of selected factual evidence to support an argument. The learner will not be required to simply regurgitate "facts" in order to achieve a high mark. This approach discourages learners from preparing "model" answers and reproducing them without taking into account the specific requirements of the question. Holistic extended writing marking credits learners' opinions supported by evidence. Holistic assessment, unlike content based marking, does not penalise language inadequacies as the emphasis is on the following:

- The construction of argument
- The appropriate selection of factual evidence to support such argument and
- The learner's interpretation of the question

Assessment procedures of extended writing

1. Keep the synopsis in mind when assessing extended writing.
2. During the first reading of the extended writing ticks need to be awarded for a relevant introduction (indicated by a bullet in marking guideline/ memorandum) each of the main points/aspects that is properly contextualised (also indicated by bullets in the marking guideline/ memorandum) and a relevant conclusion (indicated by a bullet in marking guideline/ memorandum) e.g. in an answer where there are 5 main points there will be 7 ticks.

3. The following additional symbols can also be used:

- Introduction, main aspects and conclusion not properly contextualised 
- Wrong statement 
- Irrelevant statement 

- Repetition **R**
- Analysis **A√**
- Interpretation **1√**

4. The matrix

4.1 Use of analytical matrix in the marking of extended writing (refer to page 6)

In the marking of extended writing with reference to page 6 the given criteria shown in the matrix should be used. In assessing the extended writing note should be taken of both the content and presentation. At the point of intersection of the content and presentation based on the seven competency levels, a mark should be awarded.

4.1.1 The first reading of extended writing will be to determine to what extent the main aspects have been covered and to determine the **content level** (on the matrix).

C	LEVEL 4	

4.1.2 The second reading of extended writing will relate to the level (on the matrix) of **presentation**.

C	LEVEL 4	
P	LEVEL 5	

4.1.3 Allocate an overall mark with the use of the matrix.

C	LEVEL 4	18-19
