1. INTRODUCTION

The 16 Curriculum and Assessment Policy Statement subjects which contain a practical component all include a practical assessment task (PAT). These subjects are:

- **AGRICULTURE:** Agricultural Management Practices, Agricultural Technology
- **ARTS:** Dance Studies, Design, Dramatic Arts, Music, Visual Arts
- **SCIENCES:** Computer Applications Technology, Information Technology
- **SERVICES:** Consumer Studies, Hospitality Studies, Tourism
- **TECHNOLOGY:** Civil Technology, Electrical Technology, Mechanical Technology and Engineering Graphics and Design

A practical assessment task (PAT) mark is a compulsory component of the final promotion mark for all candidates offering subjects that have a practical component and counts 25% (100 marks) of the end-of-year examination mark. The PAT is implemented across the first three terms of the school year. This is broken down into different phases or a series of smaller activities that make up the PAT. The PAT allows for learners to be assessed on a regular basis during the school year and it also allows for the assessment of skills that cannot be assessed in a written format, e.g. test or examination. It is therefore important that schools ensure that all learners complete the practical assessment tasks within the stipulated period to ensure that learners are resulted at the end of the school year. The planning and execution of the PAT differs from subject to subject.

2. TEACHER GUIDELINES: ADMINISTRATION, RESPONSIBILITIES AND MODERATION

2.1 Administration of the PAT

2.1.1 The teacher's PAT portfolio

Every teacher is expected to compile a PAT portfolio containing the following:

- Cover page containing the name of the school, the teacher, the subject and the year of assessment
- PAT management plan
- The PAT document for the year of assessment
- Memorandum developed by the teacher
- Official PAT mark sheet (TOUR01)
- Proof of all levels of moderation (reports)
- National moderation instrument (TOUR02)
- Declaration of authenticity by the teacher (TOUR04)

2.1.2 Management of the PAT

This practical assessment task is the only official practical examination for Grade 12 Tourism learners in 2015. Under no circumstances may the PAT be substituted by any alternative practical examination task.

- The practical assessment task for Tourism has TWO phases. Marking of Phase 1 must be completed by mid-June 2015 and Phase 2 by the end of August 2015.
- The PAT is a compulsory component of the final external examination for Tourism. Each learner is expected to develop and submit his/her own PAT under the guidance of the teacher.
- No part of the official PAT 2015 Tourism document may be retyped, edited or changed. The national Department of Basic Education's logo may NOT be replaced by any other logo.
- The PAT must be done during school hours under controlled conditions to avoid copying and only certain sections where research is required can be completed as homework.
- Regular lesson times should be allocated during Tourism lessons, e.g. a double lesson every second week, afternoon periods, etc. for learners to complete the PAT under the guidance and supervision of the teacher. A teacher may alternatively block a week per term to complete the PAT under controlled conditions.
- It is strongly recommended that marking of the sections of the PAT be done on a continuous basis to monitor individual progress.
- Evidence of completed sections of the PAT must be available in the classroom **at all times** during the course of the year for both internal and external verification and monitoring purposes.
- Only templates provided in the official PAT document may be used to standardise the task. Teachers are NOT allowed to develop templates for any other sections of the task.

2.2 The responsibility of the teacher

It is the responsibility of the teacher to ensure that all learners complete both phases of the PAT.

- Teachers are expected to develop a PAT management plan for both phases of the PAT. The management plan must reflect the teaching, assessment and control of the PAT. This plan must be done at the beginning of the year.
- Each learner must receive a copy of the section 'Instructions to Learners' (*pages 5 to 22 of the PAT document and the templates TOUR05 and TOUR06*).
- It is the responsibility of the school and the Tourism teacher to provide the resources. Learners could also access additional resources on their own.
- Teachers are expected to research and develop their own memoranda for QUESTIONS 3, 4, 5, 7 and 10 before they commence with the PAT.
- It is the responsibility of the teacher to guide and support the learner throughout the task.

- The teacher **MUST** use the assessment tools, in conjunction with their marking memoranda as well as the national marking guideline provided to standardise marking.
- The PAT must be assessed, checked and authenticated by the teacher before being presented as the learner's evidence of performance.
- Teachers have to provide the learners with the Declaration of Authenticity form (TOUR03) before final submission of the PAT.
- The teacher has to complete and/or sign the necessary documentation as required by the Department of Basic Education:
 1. Official mark sheet (TOUR01)
 2. National moderation instrument (TOUR02) – to be used during moderation
 3. Signed Learner Declaration of Authenticity (TOUR03)
 4. Teacher Declaration of Authenticity (TOUR04)

2.3 Moderation of the PAT (Internal and External)

Moderation, both internal and external, will ensure that the quality and standard of the practical assessment task, as stipulated in Section 4 of the Curriculum and Assessment Policy Statement for Tourism, have been met.

- There will be random selection of learner PAT portfolios by departmental officials.
- Moderation will be conducted on various levels.
- The moderation tool provided (TOUR02) will be used to standardise marking during the following levels of moderation:
 - Level 1: Internal moderation
 - Level 2: Cluster moderation
 - Level 3: District moderation
 - Level 4: Provincial moderation
 - Level 5: National moderation
- UMALUSI moderation:
 - Level 6: Umalusi moderation
- Evidence of the history of moderation on the various levels must be filed in the teacher's PAT portfolio.
- It is the responsibility of subject heads, HODs, principals and subject advisors to ensure continued moderation of the PAT.
- The practical assessment task will be externally moderated by the Department of Basic Education.
- Umalusi may identify provinces and schools for additional moderation.

3. LEARNERS' GUIDELINES

3.1 Requirements of the PAT

- The PAT is a compulsory component of the National Senior Certificate examination. Learners who do not comply with the requirements of the PAT will not be resulted in Tourism.
- The PAT must be done in two phases (Phase 1 and Phase 2).
- The PAT must be done mainly during school hours under the supervision of the teacher. Only certain sections such as research can be completed as homework. Under no circumstances may the entire PAT be completed at home.
- Learners are advised to consult the assessment tool provided for further guidance on what is required in the question.
- One of the aims of the PAT is to develop research skills. It is therefore the responsibility of the learner to do as much research as possible to enhance the learning process.
- The final completed PAT for both Phases 1 and 2 must be compiled in A4 size and presented in the sequence of the Instructions to Learners.
- Marks are awarded for spelling, language usage and overall impression of the PAT.
- The final completed phases must be handed in on the dates set by the teacher.
- The completed sections of the PAT must be kept at school for moderation purposes.

3.2 Timeframes

In order for all administrative processes to be completed in time for resulting, learners must adhere strictly to the timeframes set by the teacher.

The table below indicates the time frames for the submission of the 2015 Tourism PAT.

SECTION OF THE PAT	COMPLETION
PHASE 1	Last week in May 2015
PHASE 2	Last week in July 2015

3.3 Absence/Non-submission of the PAT

Both learners and parents should take cognisance of the fact the PAT of Tourism is an essential part of the subject. Should the PAT for Grade 12 not be completed because the learner was absent without a valid reason, the learner will receive an incomplete result.

It is therefore imperative that the PAT task is completed and submitted on dates determined by the teacher.

3.4 Declaration of Authenticity

Learners have to complete and sign a Declaration of Authenticity form (TOUR03) upon final submission of the PAT. This declaration certifies that the work submitted for assessment of the Tourism PAT, is the learner's own work. The form will be provided by the teacher.

THE AWESOME RACE 2015	
	
[Source: www.theamazingrace.com]	
<p>The Awesome Race 2015 is a reality television game show in which teams of two people race around the world in competition with other teams. Contestants strive to arrive first at 'pit stops' at the end of each leg of the race. They win prizes and try to avoid coming in last, which carries the possibility of elimination or being disadvantaged in the next leg of the race.</p> <p>Contestants travel to many countries and use different modes of transportation e.g. airplanes, hot-air balloons, helicopters, trucks, bicycles, taxis, cars, 4x4's, trains, buses, boats and by foot. Clues provided during each leg lead the teams to the next destination or direct them to perform a task, either together or by a single member. These challenges are related to the culture of the country where they are located. Teams are progressively eliminated until there are only three teams left. At that point the team that arrives first in the final leg is awarded the grand prize of one million US dollars.</p>

GLOSSARY	
Reality television game show	A program on TV where people are filmed while they are competing in a game show.
Contestants	People who are participating in a competition, in this case, a race.
Leg of the race	Different sections of the race. Can refer to the route travelled between two countries or within one country.
Route markers	Route markers are uniquely coloured flags that mark the places where teams must go. Others may be used to outline the route.
Route information (Route info)	A leaflet telling teams where to go to find their new clue box.
Clue boxes	A box that contains the clue envelopes
Clue envelopes containing the clues	An A5 size envelope that contains the next clue. The envelopes are branded in <i>The Awesome Race</i> colours of yellow and black.
Clues	The clues are printed on an A5 strip of paper and contain the following information. <ul style="list-style-type: none"> • Tasks that teams must complete • Directions where teams must go • Specific information that guides teams along the race

Function of the clues	After finding the clue, teams open the envelope and read aloud the instructions given on the clue sheet and then follow the instructions. Teams are generally required to collect each clue during each leg of the race. The information is kept with them until they reach the next pit stop, where it is handed in.
Challenges	Demanding activities performed by teams as part of the race found on the clue sheet. Challenges can include detours and road blocks.
Detour	A detour is an activity in the race where there is a choice between two tasks each with its own challenges. Teams must choose a task based on brief instructions. Generally one task will be physical while the other will require a thinking skill.
Road block	A road block is a task that only one team member may perform. Teams must choose one member to perform an unknown task. They are not allowed to switch team members at any point, but the other team member may provide advice and support.
Elimination	To be out of the race – the last team to arrive at a checkpoint (pit stop) may be sent home.
Pit stop	The end of a particular leg of the race or the final destination of the race.

SCENARIO

A Mexican couple are contestants in The Awesome Race 2015.

There are FOUR legs to the race:

- Leg 1: Mexico
- Leg 2: Peru
- Leg 3: Brazil
- Leg 4: South Africa

Teams gather in Cancun, Mexico, to receive their first clue which will take them to the international icon in the Yucatan Peninsula. At this icon, which is also a World Heritage Site, they will receive the second clue. This will take them to the international icon in the Cusco region, Peru, where they will spend TWO days before getting the third clue. This clue will take them to Brazil's international icon which is the last section of the South American leg of the race.

They will depart Brazil for South Africa, the final leg of the race, where the Bloodhound event at Hakskeenpan in the Northern Cape will take place. This is also the final pit stop of the race.

5. CONCLUSION

On completion of the practical assessment task learners should be able to demonstrate their understanding of the industry, enhance their knowledge, skills, values and reasoning abilities as well as establish connections to life outside the classroom and address real-world challenges. The PAT furthermore develops learners' life skills and provides opportunities for learners to engage in their own learning.
