Shapes:

Cut out the shapes on the dotted lines. Now use them to do the worksheets in your book. Remeber to keep them safe so that you can use them over and over again.

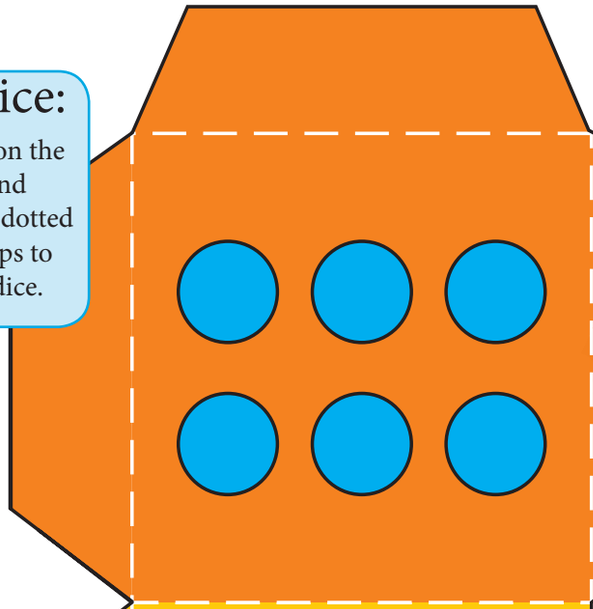

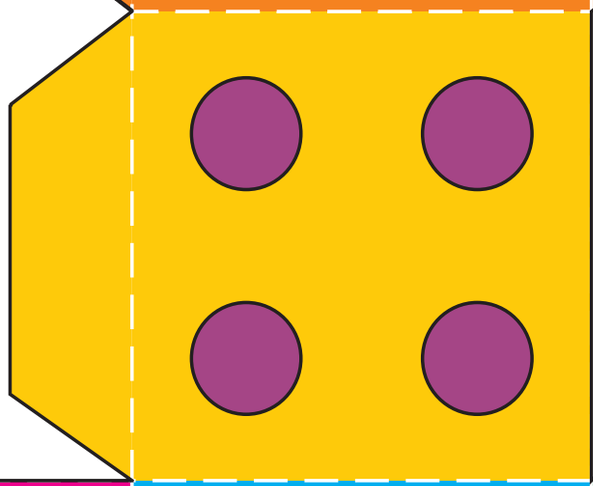

Make a dice:

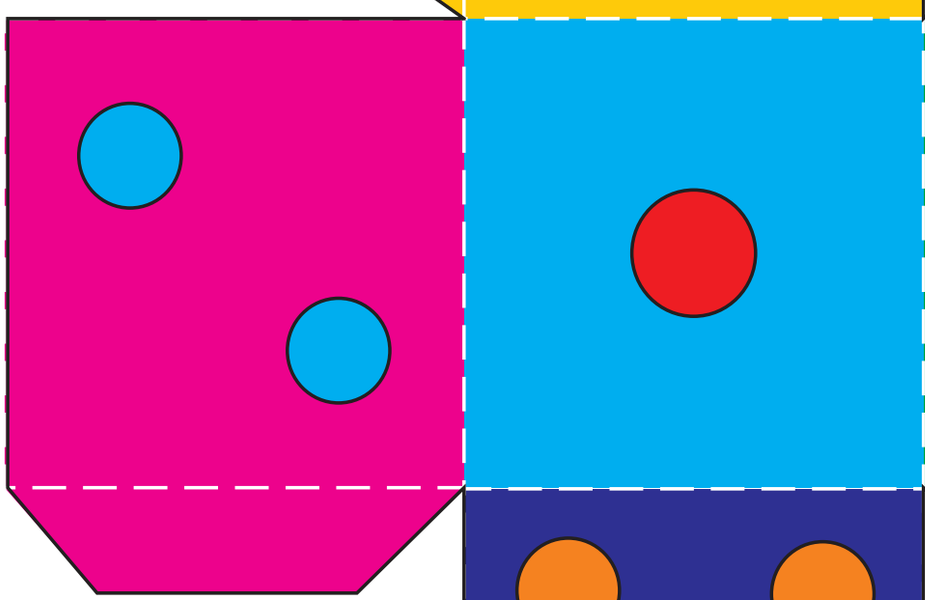

Cut the dice out on the black outer line and fold on the white dotted lines. Glue the flaps to the inside of the dice.

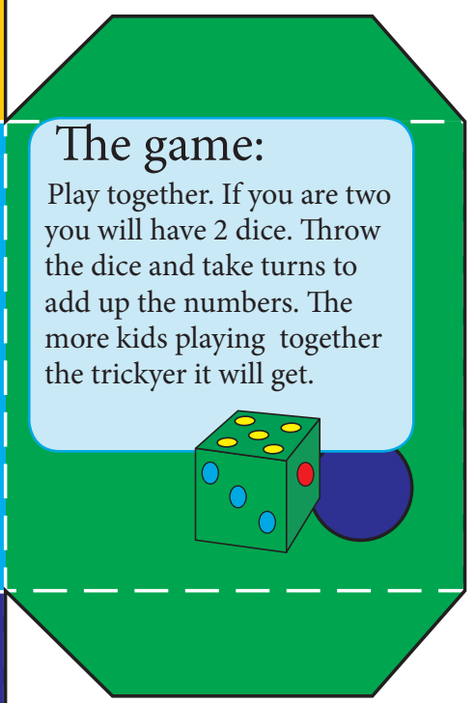

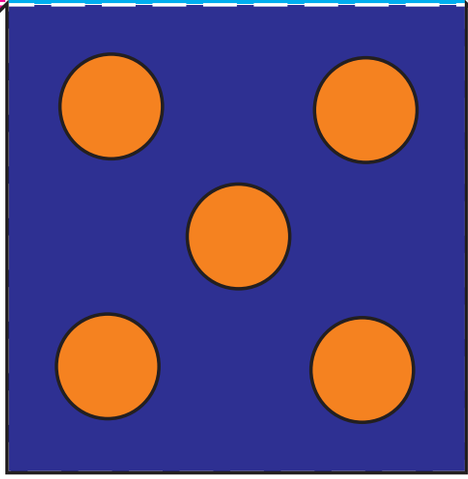

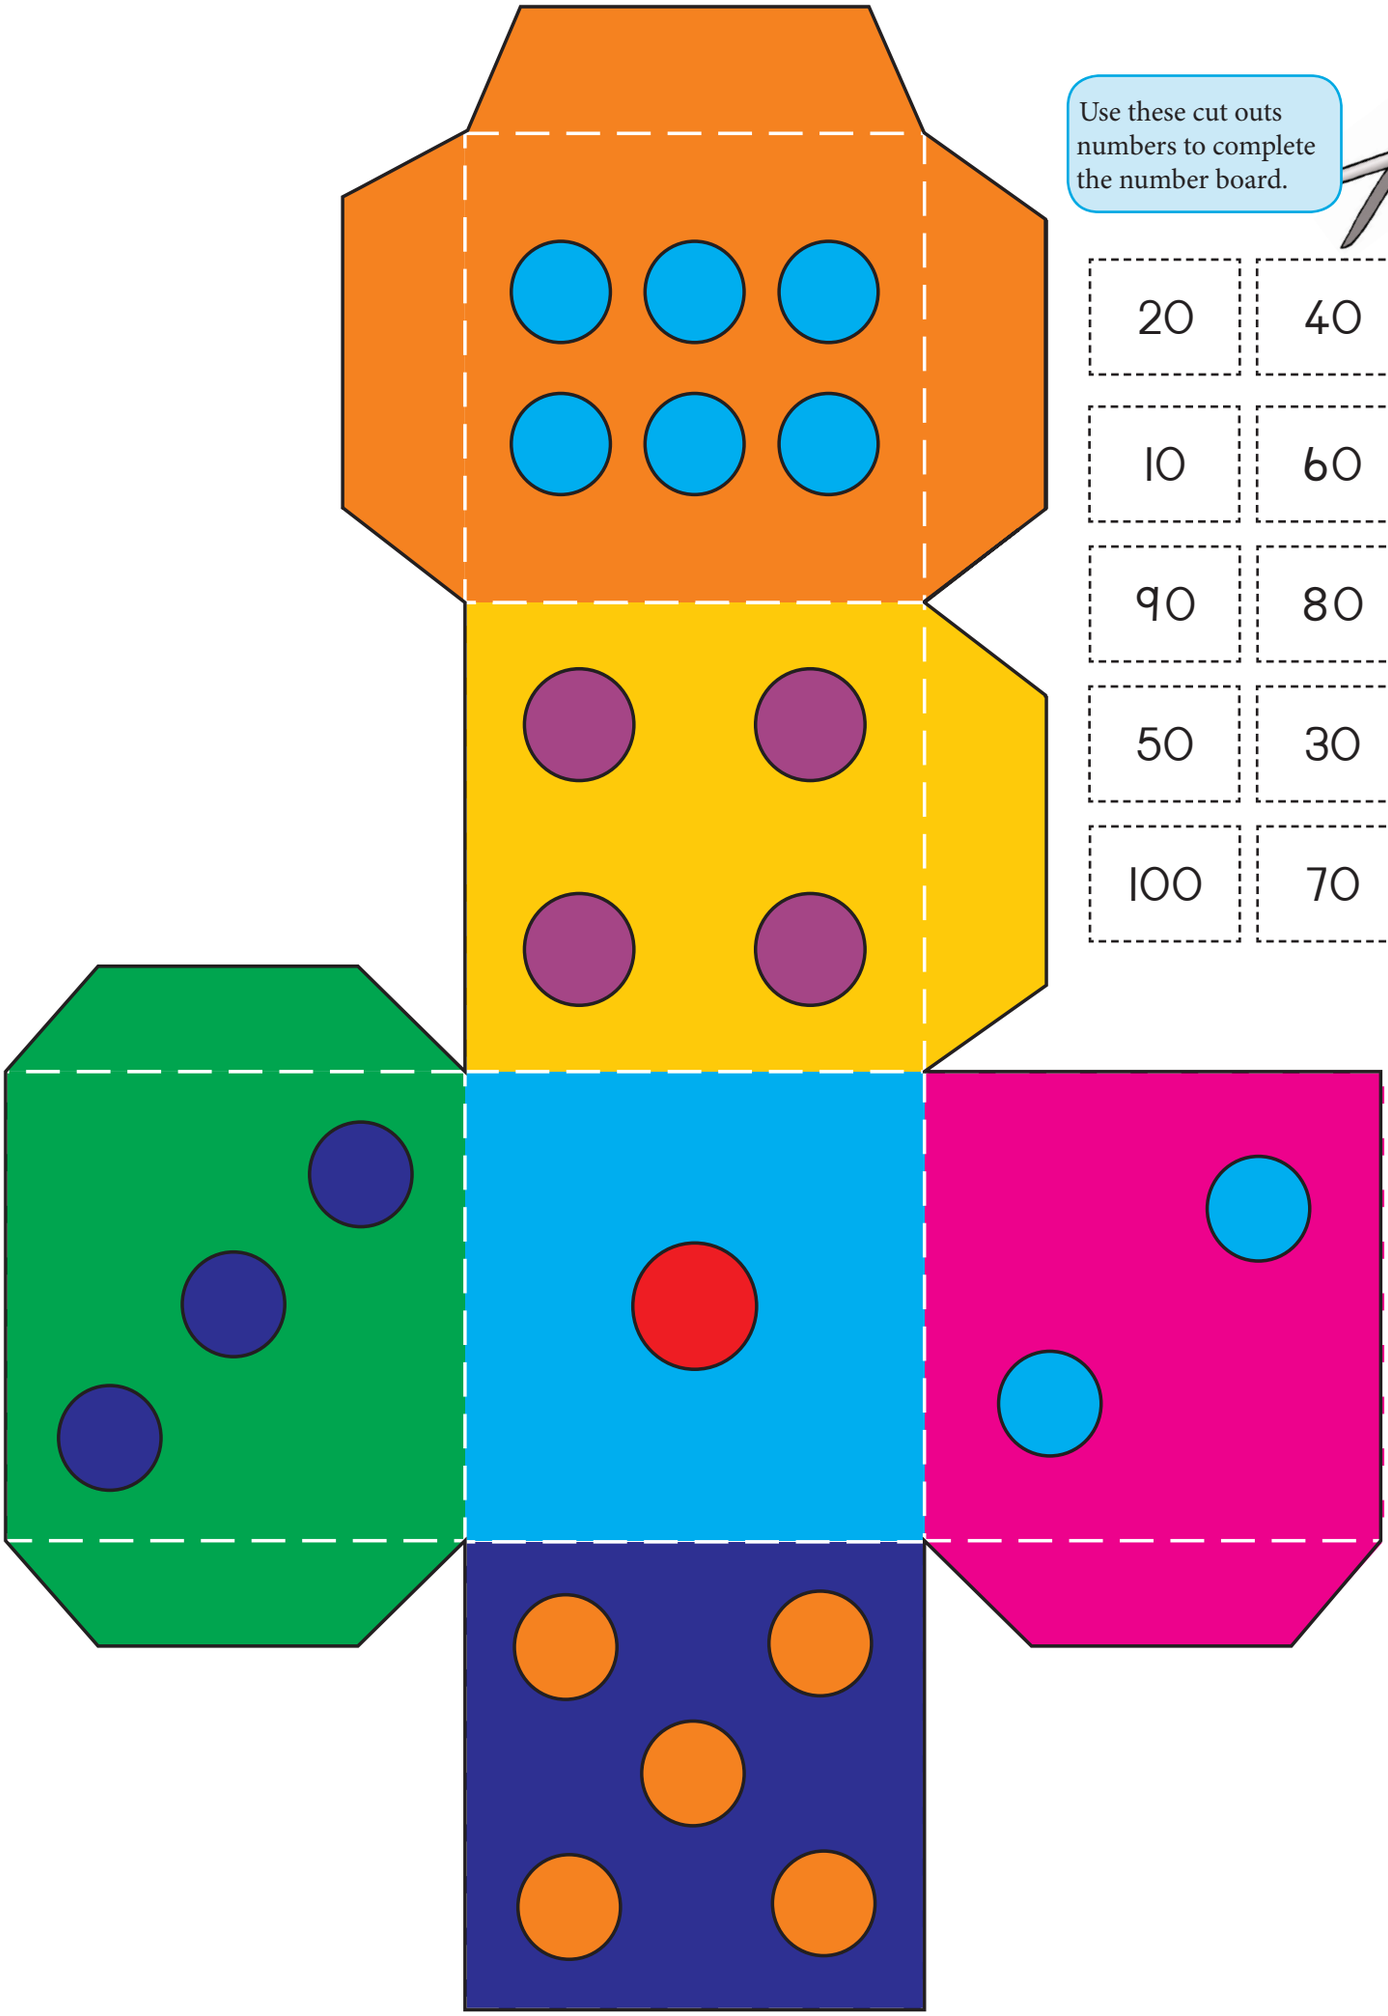

The game:

Play together. If you are two you will have 2 dice. Throw the dice and take turns to add up the numbers. The more kids playing together the trickyer it will get.

Use these cut outs numbers to complete the number board.
