Chapter 1 – e-Registration for Grade 12 Senior Certificate (amended)

Section 5 -

How to use the Online Help Tool

1. How to use the online help tool
Select the applicable option you would like to view by clicking on it.

- Capture a New Registration
- Amend (Update / Change) a Registration
- View and Print Submitted Registration
- Deregister a Submitted Registration

By clicking on the Menu button a menu will be displayed that can be used to navigate within the select option.
On each screen numbers will indicate the sequence in which the screen should be completed.

By holding the mouse pointer over the number it will display an explanation of what should be done.
Use the navigation buttons to move forward or backwards within the selected option.

Click on the Home button to navigate back to the list of options.
