RE-ISSUING OF CERTIFICATES

10. Underlying principles for requesting a re-issue

- (1) The changes to previously issued certificates described below can be requested, based on the submission of the required documentation associated with each type of request.
- (2) All requests for the correction of information must be accompanied by the return of the original certificate issued by Umalusi.
- (3) In cases where candidates have applied for and received a replacement certificate, in lieu of a document which has been lost or stolen, the assumption is that the candidate has accepted all information on the original certificate as being correct. In such cases the submission of a replacement certificate is not accepted for a subsequent request to change information on a certificate previously issued by Umalusi.
- (4) In the event that there is documentary evidence that the assessment body erroneously requested the replacement certificate, only then may changes on a replacement certificate be accepted for consideration. In this instance, the replacement certificate will have to be returned to Umalusi.

11. Re-issue of National Certificates

(1) Re-issues due to administrative errors

- (a) Administrative errors should be identified and corrected as soon as possible after the candidate received the certificate. The candidate has at least two opportunities during the registration process and then another two, upon receipt of the examination timetable, and again upon receipt of the Statement of Results, during which to correct such errors.
- (b) The errors should be distinguished from changes to personal particulars as a result of changes/corrections made by the Department of Home Affairs on the National Population Register or as a result of a legal process. These changes include, for example, the incorrect spelling of a name or surname, an error in the capturing of an ID number or Date of Birth.

 - (i) application form detailing the change requested;
 - (ii) a detailed affidavit indicating the change requested, the reason for the request, the reason for the error not having been detected and corrected prior to the issuance of the certificate. Information on the affidavit should include the name, surname, ID number/Date of Birth and contact details of the person concerned, affirmation that he/she is the rightful owner of the

certificate, and the steps taken to correct the error prior to the issuance of the certificate;

- (iii) certified copy of ID document or Birth Certificate issued prior to the writing of the examination;
- (iv) original Umalusi certificate;
- (v) affidavit from the assessment body indicating how the error was identified, what steps were taken to address the error and what steps have been taken in an attempt to prevent future occurrences of the same nature.

(d) An ID document or Birth Certificate issued post the writing of the examination *will not* be considered. All copies submitted must be certified copies, which are not older than three months.

(e) Umalusi reserves the right to request additional information and/or to interview the candidate to support such applications.

(2) Re-issue due to change of marks

- (a) An application will need to be processed by the assessment body within 6 months after certification.
- (b) It is the responsibility of the assessment body to ensure that the marks submitted at the time of certification have been verified and all mopping-up of the examination cycle has been completed.

assistance and the assessment body submit the following documentation on behalf of the candidate-

- (d) All copies submitted must be certified copies, which are not older than three months.
- (e) Umalusi reserves the right to request additional information and/or to interview an assessment body official to support such applications.

(3) Re-issues resulting from voluntary changes by the candidate

(a) Gender change

- (i) For applications with regard to gender description and gender status, the candidate is required to contact the assessment body with which they wrote the examination for assistance and the assessment body submit the following documentation on behalf of the candidate-
- (aa) A completed application form indicating the change requested.
 - (bb) A detailed affidavit indicating the change requested and the reason for the request. Information in the affidavit should include the name, surname, ID number/Date of Birth and contact details of the person concerned, and affirmation that he/she is the rightful owner of the certificate.

- (4) Re-issues due to corrections on the National Population Register resulting in changed names, ID numbers and Date of Birth
- (a) These errors should be distinguished from changes to personal particulars as a result of errors made by an assessment body (spelling or typo error).
 - (b) The candidate must bring the amendments to the population register to the attention of Umalusi, by making

a request for the changes to personal particulars through an assessment body.

- (c) The candidate is required to contact the assessment body with which they wrote the examination for assistance and the assessment body must submit the following documentation on behalf of the candidate-
 - (i) application form detailing the change requested;
 - (ii) a detailed affidavit indicating the change requested and the reason for the request, including the name, surname, ID number/Date of Birth and contact details of the person concerned, affirmation that he/she is the rightful owner of the certificate;

- (3) A change to an original certificate will not be considered unless the original certificate (not a replacement) is returned.
- (4) Supporting documentation with regard to re-issues should reach Umalusi within seven working days after Umalusi

has requested the documentation from the assessment body.

- (5) A change in the surname due to marriage will not be considered.

14. Appeals Procedure
