| 1. | Can we please have clarity on point 7.1.4 which says bidders must provide a letter indicating they have copyright of text? Is it a letter of support you referring to? | <p>Bidders are required to confirm if they own the copyright to the text(readers and anthology)</p> <p>Or bidders have a contractual agreement with the owner of such materials, signed by both parties.</p> |
| 2. | May you kindly advice on when the SBD 1 form will be updated on the closing date with reference to the attached addendum. | <p>This is to avoid disputes amongst parties post the award.</p> <p>Bidders are requested to utilise the SBD forms as originally published with the original dates. This is for record purposes and audit trail on the sequence of events.</p> |
