The Department of Basic Education (DBE) confirms the allocations to schools through telephonic surveys and physical monitoring in schools. To support and corroborate information provided by schools, the schools surveyed are also required to provide copies of the allocation letters they received as well as copies of bank statements reflecting transfers received. The findings, and areas of non-compliance, are communicated to Members of the Executive Council (MECs) wherein, they also requested to ensure that, where applicable, the necessary corrective measures are implemented to aspects of non-compliance raised in the report.
